**An Interview With:**

## **AI MIYAZATO**

**Q. So you finished at 3-under; so you had a good back nine?**

AI MIYAZATO: Yes, I had a good come back.

**Q. Is it nice to be back on a course where you've won before?**

AI MIYAZATO: Yes, I think so, because I have good memories from a couple of years ago and I love it here. The golf course is always in good shape. It's pretty difficult but it's kind of challenging me, so really nice.

**Q. So lots of happy memories?**

AI MIYAZATO: Yes. Even this heat. But it's the first day, so I still need to be patient out there and try to make lots of birdies and focus on my game tomorrow.

**Q. The course is looking good to you, lovely condition again?**

AI MIYAZATO: Yes, definitely. Just worrying about the weather come, but I can't control about it. Just focus on my play out there.
